

Professional Development Roundtables

# Roundtable #5: Elevator Pitch Workshop

This roundtable is a workshop for students to refine their elevator pitches. Attendees will have a chance to present their elevator pitch and receive feedback from other students.

An elevator pitch is a succinct 3-5 minute statement that describes your academic work. These statements are helpful for job interviews, conferences, applications, and for discussing your research with people outside your field.

Wed, February 5,  
12-2pm,  
Lydeen Library

Lunch provided
