Prof. Victoria Mateu
Prof. Javier Patiño

THURSDAY, NOVEMBER 19, 2020
11 AM - 1 PM PST
ZOOM ID 916 1512 1893

What do I need to know about the current academic job market?

How do I put together a strong application? Navigating the current job market is no easy task, and many academics face similar struggles as they go through the hiring process. In this roundtable, professors will discuss insights about navigating the current academic job market and tips for putting together an excellent application. Students will learn about searching for positions, applying, and going through the hiring process.
