

THE UCLA BRAZILIAN FILM SERIES PRESENTS

AMAZÔNIA, THE AWAKENING OF FLORESTANIA

(*Amazônia, o Despertar da Florestania*)

This documentary discusses how the Amazon forest and Nature itself have been treated in Brazil since the beginning of the 20th century. The film brings together the testimonies of many different personalities in Brazilian society, such as indigenous leaders, environmentalists, representatives of the third sector, journalists, artists, and intellectuals who have been fighting to preserve this most precious Brazilian legacy.
